

# ENSA Update

March, 2014

## Some of the things the Board of ENSA is currently working on...

- ❑ The AGM and The Constitution of ENSA. We have, since the last AGM, spent a lot of our time going through the Constitution. We made some changes to it at the last AGM, that effected the rest of the document. Suggestions for changes will be presented for the participants at the next AGM and voted over.
- ❑ ENS4Care project. Board member Thanos has been in Warsaw on a ENS4Care-meeting where he presented the students voice. The participants in the project are interested in the students opinions, and are including the Board of ENSA in their work.
- ❑ Planning of the midterm meeting that will be held in the beginning of April and the AGM that will be held 21<sup>st</sup>-25<sup>th</sup> of October. More information about the AGM will be posted in our Facebook page.
- ❑ Establishing of ENSAs official webpage. We have now agreed on a domain for the website, and we have started to plan both content and design.

Dear Members and Colleagues,

Here is an update on some of the things the Board of ENSA is currently working on.

## ENSA - now more accessible in social media!

As we want to reach out to more nursing students and nurses with information - we have now established our very own Facebook page.

[facebook.com/ensanetwork](https://www.facebook.com/ensanetwork)

ENSA already has a group on Facebook where you can discuss topics of interest. This group will still be accessible and maintained. The new Facebook page is simply where information will be posted – so its easier for more people to access.
